Being born on the fourth of July with a name like John Wayne, arguably few people could be called more American. SFC Walding grew up in Texas and was raised by his grandparents. He played baseball, football and helped his grandfather on the farm. He graduated from high school in 1999 and joined the Army in 2001. He was involved in the initial invasion of Iraq in 2003 and joined the Special Forces in 2005. He deployed for a second tour to Afghanistan in 2007-2008. During his second tour on April 6, 2008, he lost the lower half of his right leg to sniper fire during an operation in the Shok Valley of Afghanistan. Due to his bravery and valor he received the Silver Star and the Bronze Star and was awarded the Purple Heart and numerous other medals. He is married to his beautiful wife, Amy and they have 3 children. They will be moving to Frisco this summer once he retires from the Army where he will be mentored for the next 4 years through the Sentinels of Freedom Program.

This will be the 30th home built through HelpingaHero.org
